Simplify Your Move

Packing & Moving Checklist

The Last Week

- Mail change of address forms.
- Clean and disconnect major appliances. Allow a few days for defrosting and drying.
- Fuel tanks of gasoline powered tools should be emptied. (Exception: Riding lawn mowers should be drained to about 1/8".)
- Detach propane tanks from grills, campers, etc.
- Ensure any vehicles to be transported have only a half tank of gas or less.
- Dismantle items that attach to walls, floors, or ceilings.
- PRO TIP**
- Pack the necessary clothes, toiletries, and bedding for each person for your arrival to your new location.
- Make plans for the care of young children on moving day.
- Fill any prescriptions or medications.
- PRO TIP**
- Pack a box of items you will need soon after your arrival. Keep with you or have *Move It Now* put it on the truck last.
- Group boxes/items that should be placed on the truck together.
- Group boxes/items that you are taking directly with you and clearly mark them "Do Not Move".

The Day Before

- Get a sufficient amount of cash to allow for the unexpected.
- Double check everything is in order for moving day.
- Say goodbye to neighbors and friends.

Moving Day

- Have beds stripped and ready to be packed.
- Make note of utility meter readings (gas, electric, water).
- Plan on spending all day with *Move It Now*. Stay until finished.
- Communicate with your friendly *Move It Now* driver any special instructions, directions, and contact info of where you can be reached prior to delivery.

RELAX! With your excellent planning combined with *Move It Now* - Your moving day is going to be simply great.
